

NLNAM

A Home for Network Automation in the Netherlands

NLNAM
NETWORK AUTOMATION

Bart Dorlandt

- Freelance Network Automation Solution Architect
- Lives by: *There must be a better way*
- Co-organizer of PyUtrecht
- Advisory board member of Network Automation Forum (NAF)
- <https://dreamnetworking.nl/>
- <https://linkedin.com/in/bartdorlandt/>

So what is NLNAM?

| The **N**ether**L**ands **N**etwork **A**utomation **M**eetup

- A **volunteer-run community** – free to attend
- For **network|automation engineers, DevOps & developers**
- Regular meetups across the Netherlands: **talks + networking**

A home for everyone automating (a network).

Past & future meetups

#	Date	Host	Where
